ISUOG is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.
The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

The '26th World Congress on Ultrasound in Obstetrics and Gynecology' is designated for a maximum of (or 'for up to') 29 hours of European external CME credits.
Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

For all other participating professionals, this program provides a certificate of participation of 29 hours.
Participants must claim the number of hours according to their participation.
